

**RE/MAX FOR KIDS: GIVING BACK TO THE ROSARITO COMMUNITY**

By Ana Carrillo

Helping Kids of Rosarito and Baja is about giving hope, faith and love to a few of the millions of children who desperately need it in our world today. For it is in giving, that we ourselves can fully receive and appreciate how fortunate we are. Every child is a child of God and, as such, is just as important as any other person, no institution can replace a loving family, although they sometimes must try. Every child needs food, shelter, education and secure loving relationships. If a child's family or community cannot or will not provide for those needs, it becomes the responsibility of good people everywhere to try and provide them; every child also deserves to receive and give love and in fact must do so to develop normally.

Mission Statement

The mission of Helping Kids of Rosarito and Baja – Remax for Kids - is to do everything possible to help children living in orphanages and similar institutions to reach their full potential.

Donations allow us to help orphans and orphanages in capacities that individual child-sponsorships cannot. Donations allow us to serve larger-scale orphanage-wide needs, such as providing better facilities and educational excursions to create good memories for all of the children collectively.

By becoming a donor of Helping Kids of Baja, you can help guarantee underprivileged children have the basic right to a clean home, an education, medical care and food. Your donation will help purchase food, school supplies, and pay the facilities for the orphanage.

By becoming a sponsor, you can make the inspirational first step towards giving these children a brighter future. You will also help the Rosarito Red Cross on their objective to save the lives of their patients.

The Support so far has been amazing so thanks to everyone who has helped in any way, to all those who have bought a table, provided a prize or helped in the preparations.

Our next Dinner Event will be held on December 6th, 2008, at Salon Mexicano of the Rosarito Beach Hotel, with a mexican fiesta.
